Team "A" _____
Team "B" _____

Instruction:

During the game:

1. Start the stopwatch at the beginning of the game
2. Do not pay attention to the actual score calling
3. **Cross** a point number for the team that wins each rally
4. When one of the teams gets 21 points, **circle** 21 and the point # for the other team. **Record the time - (I)**

After the end of game:

1. Record the real time (II)
2. Record the score for 21 points game (III) - the two digits that you circled earlier
3. Record the final score – real game(IV) – ask one of the players
4. Record the final score – rally point (V) – the last two # that are crossed
